

# Aboriginal culture

By Noah

## Art

For art the Aboriginal people used to make art like dot painting, wood carving, rock carving.

## Transport

They used kangaroo's to ride on or emu's . They used to walk or run they would normally run when they hunt but when they walk they normally do it for exercise. They build boats like this:

- . chop down a tree so it looks like a log
  - . cut in half lengthways
  - . use the excess wood and shave in into a half circle x2
- And put it in the water and you will float to the other side

## Music

For didgeridoo making they cut down a skinny tall tree and hollow out the middle. Then they would decorate the didgeridoo with some of their culture and native animals.
