

## Aboriginal Culture. By Alex

### Clothing

The Aboriginals made their clothes out of leaves. They also made it out of possum cloak. The Aboriginals were kangaroo skin to. They also like to wear leather, some times they would use it as a blanket.

## Food

The aboriginals ate berries and They also ate Fish and kangaroo.As you can see Aboriginal's like to eat meat. Aboriginal.

## Art

The Aboriginals include animals in their art They also do dotted art sometimes they use it for the background but they also do the animals in dotted art.

As you can see they like to pant the animals in dotted art

The Aboriginal people use didgeridoos and also sang.

## Transport

The Aboriginals would run and walk. Aboriginal people would also find logs and carve them into canoes to swim across the river.

## Shelter

Most of Australia has a very hot climate of people often slept out on the open. To keep themselves warm at night they would sleep close to fires.
