

Aboriginal culture

By Charlie

Food

Aboriginal people eat fish and kangaroos. They went out often at night with their Spears for food. They also eat snakes, turtles, grubs, berries, nuts and emu.

Art

Aboriginal art is made by bark tree sap to make the paint, they normally use it on a rock. Aboriginal art is one of the oldest surviving art forms still practiced today. Aboriginal art comes in many different features including dot painting.

SHELTER

Some of the Aboriginals lived in a cave when they move to a different cave sometime in it animals. they usually live in a hut made of stick and bark to stop the water coming in.

TRANSPORT

They normally walkin but they sometimes go on bark boats. Sometimes they also swim to Island.

Clothing

Aboriginals wear snake and cow skin for clothing.
