

Aboriginal Culture

Art

The oldest paintings were painted thousands of years ago in caves also they dot paintings. They had to find different things to paint with.

Food

When it was dinner time the dad would go and hunt with a spear and catch fish kangaroo and birds so they have a very healthy diet.

Shelter

The Aboriginal people made little shelters out of sticks , leaves the Aborigines were very creative. When it was raining the Aboriginals would go in there little shelters and they would stay nice and dry.

Clothing

The Aboriginals would make clothes out of soft animal skin and leaves and vines. The vines are for tying the Leaves together also they used bark and grass if they were cold they would put the animal on. They also made hats of leaves.

Music

When they wanted to play some music they would play the didgeridoo and the didgeridoo made a low sound. They would also play tapping sticks the tapping sticks make a nice rhythm. The Aboriginals were very good at music.

Transport

When the Aboriginal people wanted to go across a lake they would make a little rafts and they would also walk and run. They would also make canoes and boats. They were really good at making things.
