

# Aboriginal Culture

By Harry.S

## Food

Aboriginal people eat lots different types of food like fish, emu, kangaroo and many more. Aboriginals go hunting with a weapon called a spear to catch their food.

Aboriginals also picked food off different types of plants.

## Art

Aboriginals painted on rocks using dirt and water.

Aboriginals used to paint in different ways like dots, Lines, and many more. Aboriginals also painted pictures to tell stories to other people.

## Music

Aboriginals made lots of different instruments like a didgeridoo ,tapping sticks, and many more. Aboriginals made didgeridoos out of hollow trees and then decorated it with paint. Aboriginals also used bones for tapping sticks after there meal.

## Shelter

Aboriginals didn't have houses like us so they built little shelters to live in. Aboriginals built houses out of rocks and sticks. They used caves and trees as a shelter as well.

## Transport

Aboriginals didn't have cars like us so they used their feet and boats to get from place to place .Aboriginals manly used boats on the coast to travel in the water.When the aboriginals weren't on the coast they Used their feet to get to other places.

## Clothes

Aboriginals used animal fur for clothes. Aboriginals also used leafs and bark as clothes. Aboriginals normally painted their body with dirt and water.
