

## Art

Aboriginal art is made by indigenous Australian people. Aboriginal art is carving and painting. They use wood carving rocks and dirt as paint. Dot painting is made up of small dots of paint. Symbols are used in aboriginal art to show Different things.

## Food

Australian aboriginals eat lots of food! Like kangaroo fish snakes turtles grubs berries nuts and Emus. They hunt with spears.

## Transport

Aboriginals had to walk everywhere because they had no cars trains or bikes. Aboriginals made boats rafts they made them out of wood bamboo and logs.

## Music

Aboriginal people use all different things for music but not like us. aboriginal people use didgeridoos tap sticks Horn shells and drumming on rocks. The most famous one of all is the didgeridoo. The didgeridoo makes A really loud noise.

## Clothes

Aboriginals put leaves around their body to act like clothes. Aboriginals use little feathers to tie it up to make clothes.

## Shelter

Aboriginal shelters are very small but creative. Aboriginal Shelters are built of leaves wood and sticks.
