

Aboriginal culture

Tyson

Clothing

For clothing they used bark grass and leaves to cover their body. For clothing the aboriginal people would wear armbands and headband to keep them warm

Art

For Art they use lots of colourful dots. To make their art stand out. Art has lots of different colours and they used smashed up rocks to make paintings.

Food

aboriginals people had a very healthy diet

also the aboriginals eat Bandicoots wallabies and birds and kangaroos and rabbit and camel to cook

Music

For music the aboriginals used tapping sticks and a didgeridoo

Transport

In transport they jog and swim and run. And ride horses and camels.

Shelter

Aboriginal people housing mostly consisted of simple shelters made from branches and then covered with leaves and sheets of bark . The Aboriginals were depended on the materials that they could get from the land and in some places soft paperbark was easily pulled off trees to make a . Shelter in other places there were only branches and leaves that could be used
